

# JULY AT PEPC

Our staff and ministry leaders continue to find innovative ways for the people of PEPC to stay connected during COVID. Here is a glimpse those options. Refer to the individual ministries at [www.pepc.org](http://www.pepc.org) for more information on each event. This is in conjunction with our Phase 2 opening – our hope is that the restrictions will be laxer some in the beginning of July. All events are subject to change.

## Worship Arts Ministry

- We will continue to live stream
- In person worship on the hillside through July 5
- Registrations and other logistics are being put into place to hopefully begin to worship in the Worship Center on July 12 (watch for detailed instructions to be coming out soon)

## Missions Ministry

- Continuing to serve Denver Rescue Mission, SECOR, Parker Task Force and some of our missionaries abroad who have been are profoundly affected by this virus.
